

HOW IT WORKS:

STEP 1. SELL ANY PARTICIPATING CLUTCH KIT!

STEP 2. SCAN THE QR CODE, FILL IN THE FORM & UPLOAD A PHOTO OF THE RECEIPT.

HOW THE POINTS WORK:

Participants earn 1 point for every eligible clutch kit sold across the 3 participating brands during the campaign period. To unlock entry into the Grand Lucky Draw scheduled for early December 2026, sales reps must first reach a threshold of 25 points, which automatically grants their first draw entry. Following this initial milestone, every additional 5 points earned (representing 5 clutches sold) awards 1 further entry into the draw, giving higher performers exponentially more chances to win from the major prize pool.
